Guide for Liturgy Committees

Paul Turner, Michael R. Prendergast

The liturgy committee provides shape and vision for liturgies and liturgical formation for members of the assembly. You'll want every member of your liturgy committee or worship team to read this new guide. Effective for training those new to the committee and for rejuvenating the work of veterans, this book can be used by the entire group or by individual members. It gives members of the committee the tools they need to pray, study, and prepare the liturgy. This book will be a valuable resource to help all pray fully, actively, and consciously.

Inside you'll find a pastoral, inviting format and style, including: pastoral theology of liturgy, Eucharist, and Sunday Mass; basic understanding of liturgical law and liturgical roles; detailed instructions for how to serve on a liturgy committee; generous quotations from Church documents and scripture and a liturgical evaluation form.

Paperback, 6 x 9, 112 pages.
