The *Book of Blessings* contains the blessings of the Roman Ritual for the Universal Church as well as additional proper blessings for use in the United States. This liturgical book includes blessings pertaining to persons, to objects, and to various occasions, as well as blessings and services connected with official parish events. Three valuable indices make the Book of Blessings a practical as well as pastoral liturgical resource.

The *Shorter Book of Blessings* is a handy-size edition of the larger Book of Blessings that includes only the blessings that are celebrated outside Mass. It contains the New American Bible translation for all Scripture readings to ensure conformity with the Catholic liturgical Lectionary.
