Celebrates a girl's rite of passage from childhood to maturity. Marking this milestone for quinceañeras, this bilingual booklet contains the rites of blessing within Mass and the rites of blessing outside Mass. During the rites, teenage girls celebrate the beauty and significance of this occasion by thanking God for the gift of life, seeking His blessing for the years ahead, and dedicating themselves to Mother Mary, their model of faith. Includes an appendix of intercessions. This is a bilingual book with the text in Spanish and English on facing pages.
