

Summer Enrichment

...a day of Reflection and Professional Development for PCLs and Catechists

The Father Knows Me: Discovering my True Identity

If there were a word that sums up the main preoccupation of people today it would be "identity." We are bombarded with seemingly endless possibilities for self-definition. Yet, who am I really? Where does my identity and my personal value come from? Who can I turn to learn the truth about myself?

In this day of enrichment, we will explore who we truly are in light of God's revelation. We will expose the lies we hear and believe about ourselves. And we will learn how to listen to the voice of Him who created us, loves us, redeems us, and calls us to the fullness of life!
